

The Red Squirrel Survival Trust is a national charity established to ensure the conservation and protection of the red squirrel in the UK. It aims to:

- Protect red squirrels by keeping reds and greys apart
- Secure the environment in which red squirrels can thrive by protecting the biodiversity of Britain's native woodlands
- Assist the winning reds in areas where red squirrel population numbers have stabilised or are increasing
- Establish new red colonies across the UK wherever feasible
- Fund research on how to secure the red squirrel's long-term future
- Raise awareness of the plight of reds in the UK
